Background of the Local
The United Brotherhood of Carpenters and Joiners Local 1111 is based in Ironton, Ohio. As of the official website of the organization, this particular local union no longer exists.

Scope and Contents of the Collection
The records of the Carpenters and Joiners Local 1111 are mainly concerned with the general business of the Local and with the welfare of the Local members.

The Minutes of the General Meeting are complete from September 1930-May 1963. They are a record of general business and the job market in the community.

The correspondence also deals with Local matters: wage scale, jurisdiction, work availability and requests for assistance from Local members.

Of less importance are the few samples of the Stewards Weekly Reports. The Minutes of the Tri-State District Council, September 1954-February, April 1955, provide the only information of the relationship of Local to International Union.
