Biography of

The IBEW is based in Portsmouth, Ohio. It seems that since 1979, the IBEW has done some restructuring of the unions and that Local 1179 is no longer going by that. The Portsmouth IBEW is now in District 4 and known as Local 575.

Scope and Contents of the Collection

The records of IBEW Local 1179, are comprised of bylaws, a guide for handling grievances, correspondence, and minutes of general meetings.

The Bylaws of System Council No. 25 govern IBEW 1179, of which it is a part, having jurisdiction over all electrical work on the Norfolk and Western Railway and the Ann Arbor Railway.

The Guide for Handling Grievances with Carriers and Progressing Grievances to the National Railroad Adjustment Board, Second Division, is intended to assist Local committees in handling grievances and preparing cases.
The correspondence file is small. It contains the affiliation of the Local chapter of IBEW 1179 with the local and state chapters of the AFL-CIO and CLC in 1967, in accordance with the request of the International Vice-President of IBEW, the salary adjustments in the bylaws, and insurance claims for deceased members.

The Minutes of the General Meetings are complete from February 11, 1954 to March 18, 1960. They are a record of general business. There is also an oversize collection containing items dealing with the Norfolk and Western Railway Company.
